## Inspired pupil from Coupar Angus Primary School wins a 3rd Level Award at London 2012 education awards.

Some of the country's brightest young people visited Glasgow City Chambers to receive medals for their work on the Inspire-Aspire programme from Olympic Gold Medallist rower, Katherine Grainger CBE, IOC member Sir Craig Reedie CBE and the Lord Provost of Glasgow Cllr Sadie Docherty.

The Inspire-Aspire Awards programme reached 25,000 young people this year by using the Olympic and Paralympic Games and the character qualities of Olympians to inspire young people to set personal goals and to develop future aspirations.

Winning a Primary 6, 3<sup>rd</sup> Level award at the event was Ryan Dick from Couper Angus Primary School, who chose Roald Dahl as his inspirational figure as part of his work on the programme.

Expressing his reasons for his chosen inspirational figure, Ryan said:

*"Roald Dahl inspires me to read, he is creative and has lots of wisdom".*

Before presenting the awards, Olympian Grainger told an enthralled audience that it takes commitment and courage to reach the top. She spoke about how it was sheer determination that had helped her finish the race at the London Olympics in 2012. Grainger expressed how important using the Olympic and Paralympic values in everyday life can be, not just in sport.

Inspire-Aspire aims to help young people gain a better understanding of their own character qualities and values and inspire them to create a personal development plan. Ryan explained how much of an impact participating in Inspire-Aspire has had on him:

*"I learnt more about Roald Dahl's books and his life."*
